

# PLATE TO PASTURE YOUTH SCHOLARSHIP

## Broad horizons to Bright future

### Are you ready to take your place in the future of food?

Silver Fern Farms is offering three Plate to Pasture Youth Scholarships; the financial boost to your studies that could help propel you on a path to a bright future in the global food sector.

We're here to meet the future of our industry head on, but we'll need inspired thinkers with the drive to make real change to get us there. We're after motivated students looking ahead towards the challenges facing our sector and already thinking up ideas for how to tackle them.

The future change-makers. Innovators. Future leaders and future legends. Sound like you?

If you're inspired by the challenges of a changing world and driven to play a role in meeting them head on, we'd love to hear from you.

#### The Scholarship:

- **Three awards of \$5,000**
- **Award to be used to support study towards a relevant qualification, anywhere in NZ**
- **All expenses paid opportunity to attend our Plate to Pasture Farmer's Conference**

For 18–25 year olds actively studying, this could be your game-changer. With a proud history of backing innovative thinkers, the Plate to Pasture Youth Scholarship is to support your studies.

Our industry is broad and diverse, and so is the young talent who will shape its future, so this Scholarship extends to a broad spectrum of study areas, from agribusiness or food science to marketing and sales, technology, sustainability... and beyond.
